Subject: Dimock - Fire House Address

Rich F.

I was wondering if you knew the address for the Fire Department where we will be locating the sample management trailer? The reason why I ask is that we are working on having shipments of bottleware be delivered to the Site and I will need to have an address to ship them to. I was thinking that the Fire Dept would be the closest address and also wouldn't mind the large shipments. I was looking to have the 1st shipment to be delivered on 1/19/12. I know when we went to the County 911 Center we met with the assistant Fire Chief and he gave you a business card. Didn't know if it was on the card or not. Also, before we have large shipments of bottleware we probably should check with the Fire Dept to see if they are Ok with us shipping things to their address.

Please let me know if you have any questions or concerns with this.

Thanks,
